Comments

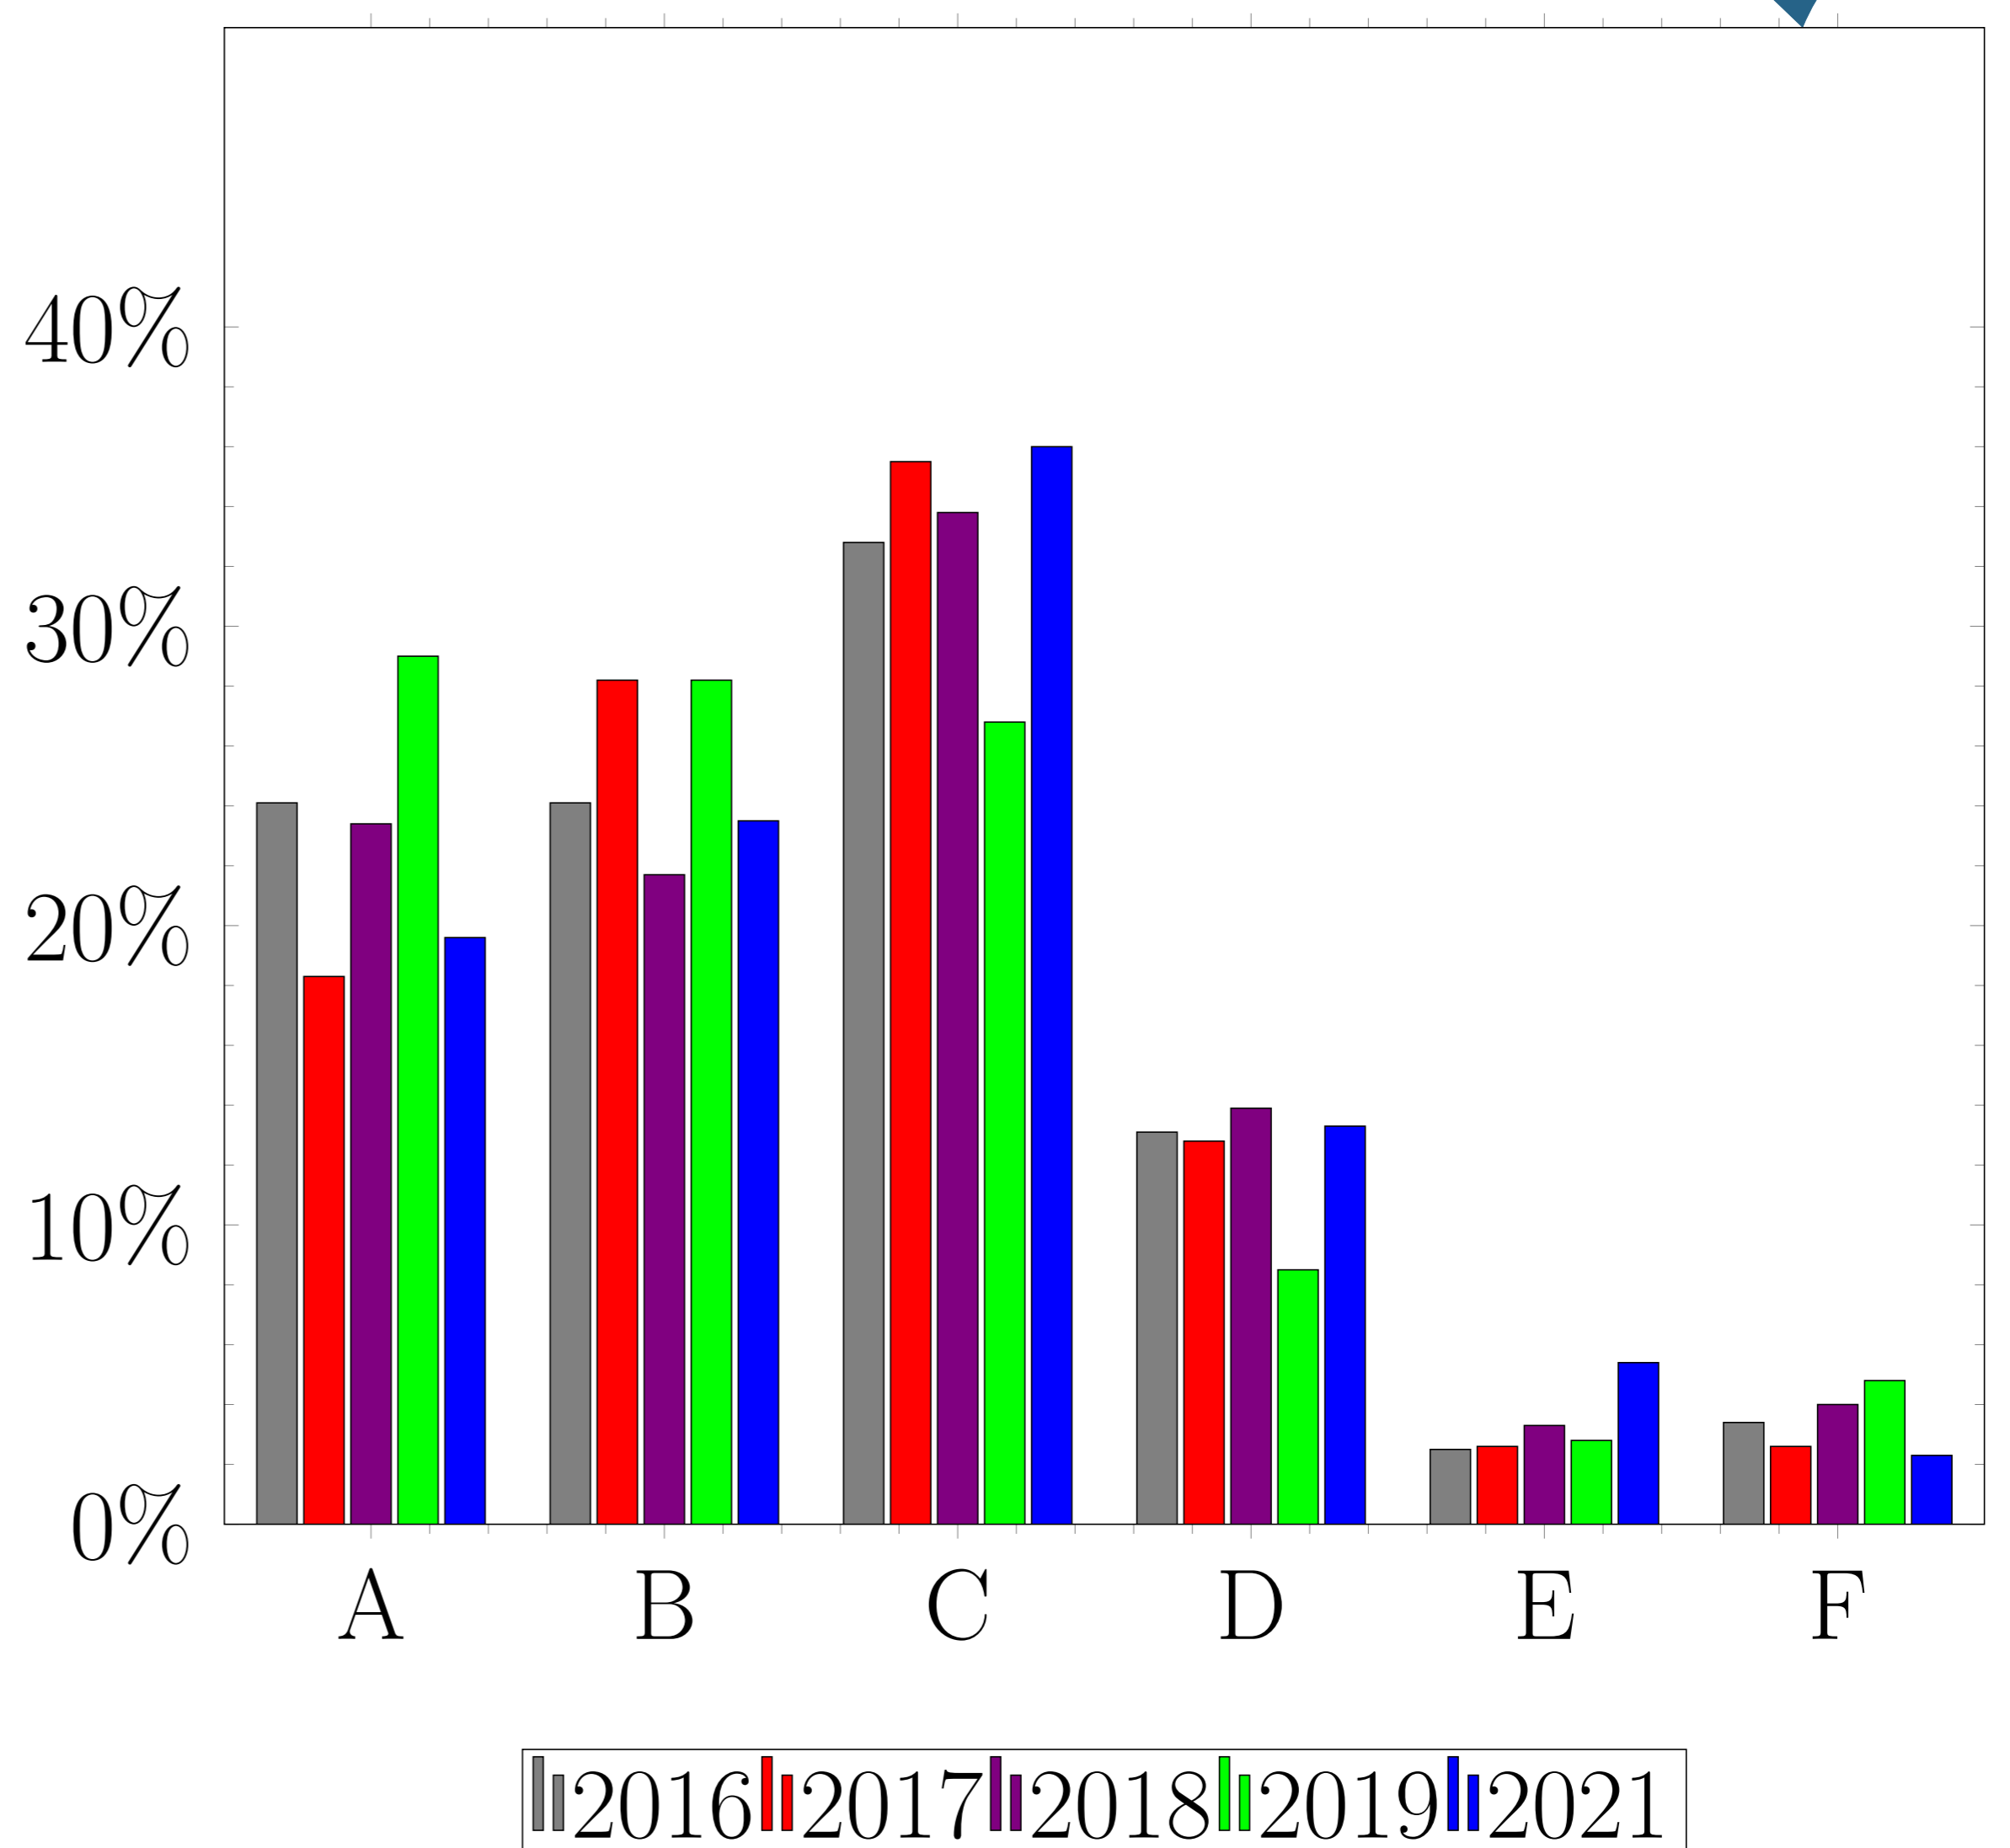

The results on the midterm exam were **overall very good**. Question 6,8 had the lowest score, and Question 5 in addition had a quite low answering rate. This was to a large extent expected, as these were among the most difficult questions, especially Question 6. A summary of scores is given in the table below.

Average score per problem

Score:	Correct A. 3p	Wrong A. -1p	Unansw. 0p
Question 1:	75%	24%	1%
Question 2:	88%	9%	3%
Question 3:	90%	8%	2%
Question 4:	90%	8%	3%
Question 5:	33%	49%	18%
Question 6:	30%	62%	8%
Question 7:	59%	12%	29%
